

ACT Canton
Canton's Academy for its Citizens

Do you ever wonder how a City works? What is the process of getting your taxpayer dollars to work, creating services needed to make Canton the perfect place to Live, Work and Play? In Canton, we believe that an educated citizenry improves engagement, fosters a greater sense of responsibility, higher participation in community events, and is a backbone of a successful democracy.

The City of Canton is offering an eight week course, meeting on Wednesdays from 6 pm to 8 pm, aimed to educate those interested on the City's daily processes and allow participants to meet City staff and tour some of the City facilities. The course will run from early February into April, concluding with graduation at a City Council meeting. If you are interested, please complete the application below. The program will be limited to twenty participants.
